PHARMACY EXAMINING BOARD

PHARMACY SELF-INSPECTION INFORMATIONAL SHEET

The Board no longer requires the Department of Regulation and Licensing to send inspectors to conduct on-site inspections prior to licensure.

In lieu of the above, the Board requires the Managing Pharmacist to complete the attached "Pharmacy Self-Inspection Report" (Form 923). Please complete each line indicating the date of compliance, either actual or anticipated, but in no event later than the proposed opening date indicated on the cover page of Form #923. Sign and notarize the affidavit. If the Pharmacy is in non-compliance with any portions of the "Pharmacy Self-Inspection Report" please indicate why the pharmacy is in non-compliance and when the pharmacy will be in compliance. Return the entire "Pharmacy Self-Inspection Report" to the Board office when completed. Please make a copy for your files.

After the "Pharmacy Self-Inspection Report" has been reviewed and is found to be in order, a license number will be issued if all other requirements have been satisfied.

The Department on behalf of the Board will conduct an unannounced audit of the pharmacy location within one year after the date the license was issued to verify that the pharmacy is in compliance with the "Pharmacy Self-Inspection Report" as well as the "Wisconsin Statutes and Administrative Code Relating to the Practice of Pharmacy."

This procedure will also be used for remodeling.

If you have any questions regarding this procedure or the "Pharmacy Self-Inspection Report" please feel free to contact the Bureau of Health Professions at the Department of Regulation and Licensing.
